

# Advertising flag

Full color printed advertising flags of various sizes, shapes and configurations. Choose from our different materials according to need and use. All materials are printed with photographic print with 100% penetration so the subject is mirrored on the back. A flag is always delivered edge-reinforced with the associated suspension device according to what might be needed (incl. in the price).

For larger quantities (at least 20 flags) we also offer screenprint on the same material. Ask for a quote!

## When is digital printing suitable?

- When the design is complex with many colors or photographic details.
- When you only need a small quantity of flags.
- When the design changes frequently, or you want to test multiple versions.
- When fast delivery is important.

**Marine Polyester 160gr:** Woven polyester. A classic and strong flag material that can withstand greater stress. The edges are folded and sewn. Hooks and other clothing as desired.

**Polyester 110g:** thin knit polyester. Suitable material for shorter campaigns and less exposed environments/situations. The edges are folded and sewn. Hooks and other clothing as desired.

**R-PET polyester 110g:** Environment-friendly alternative. Same product features as Supralon. Thinner knitted polyester made from recycled PET material (5 PET bottles per m<sup>2</sup>). Printed with water-based paint, without environmentally hazardous substances. The edges are folded and sewn. Hooks and other clothing as desired.

**Choose from our suggested sizes or decide for yourself both shape and size.**
